I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as

Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer

planning to run for a third term and has his eye on Millicent as his running mate. He invites her to dinner on the day of his wife's funeral, but Jeffrey-baffled and not at all happy-is not welcome. Despite an attempt on Jeffrey's life, and his subsequent escape from a mental institution, Millicent finally decides to accept Bradson's offer and be his running mate in the next presidential election. What she doesn't expect is to fall in love with him. Milly, Jeffrey, and Bradson are just a few of the many unforgettable characters in this political satire/romantic comedy-a story with myriad twists and turns,
