the nature of the indebtedness of the gospel traditions to Indian religions, and demonstrates that the gospel writers knew Indian religious tradition in the Gnostic context.

In this volume Sangharakshita approaches communicating Buddhism in the West from two very different, but equally illuminating, angles. In the first part, in talks given in the early years of his teaching in England, he introduces the apparently exotic worlds of Tibetan Buddhism (1965) and its creative symbols (1972) and Zen Buddhism (1965), clarifying their mysteries while also somehow allowing them to work their magic.
