aro jore pod maro, hoga maro, voda maro.

An incisive look into the world's most innovative tech company and the man chosen to lead it. On 10 August 2015, an unassuming product expert who learnt his ropes at IIT Kharagpur was declared the next CEO of tech giant Google. Sundar Pichai's appointment was hardly an unexpected one. Pichai is a man known as much for his veritable Midas touch with every product he has developed or led for Google ? Chrome, Chrome OS and Android, to name just a few ? as for his superlative people skills and open-minded approach to innovation. Yet, the company's decision to restructure its product lines and appoint Pichai as the head of a leaner, more focused Google, has raised inevitable questions: ? What does Pichai's role augur for the future of the tech giant? ? Will Google consolidate its position for existing products or will they focus on creating new ones? ? And will Pichai transform the organization that Schmidt, Page and Brin created and led, or confirm the belief of a minority of naysayers that he is not yet ready for this daunting role? Pichai: The Future of Google provides answers to these questions while throwing light on Sundar Pichai's childhood and education; his entry into the tech world and quick rise up the ranks in Google; and his key contributions as a leader and tech-guru to Google's most successful properties. Timely and insightful, this book offers a rare glimpse into the fascinating ecosystem of a path-breaking company and shows us what it takes to be a dynamic leader in the 21st century.

Are you looking for some great ideas or inspiration to manage your time better? This book contains 100 great ideas, extracted from leading companies and individuals from around the world. In an age when people of all levels are struggling to cope wiith the demands on their time, just one simple idea can be the catalyst to change that. This book can be that very catalyst. Each time management idea is succinctly described and is followed by advice on how it can be applied to the reader ' s own situation. A simple but potentially powerful book for anyone seeking new inspiration and that killer application.

Translated by the author 'Tamasdrove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service,Bombay ,started on 22 December, 1935 and was the successor to the Indian Radio Times in english, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it was published by All India Radio,New Delhi.In 1950,it was turned into a weekly journal. Later,The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1,1983. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes,who writes them,take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. NAME OF THE JOURNAL: The Indian Listener LANGUAGE OF THE JOURNAL: English DATE,MONTH & YEAR OF PUBLICATION: 22-01-1942 PERIODICITY OF THE JOURNAL: Fortnightly NUMBER OF PAGES: 88 VOLUME NUMBER: Vol. VII, No. 3 BROADCAST PROGRAMME SCHEDULE PUBLISHED(PAGE NOS): 25-84 ARTICLE: 1. India's Loss Of A True Patriot (Tribute To Late Rt. Hon'ble Sir Akbar Hydari) 2. The War In The Pacific 3. Microphone Personalities —19 Helen Gilliland 4. The English Connection, an integrated skills course, highlights the holistic approach to language teaching and learning. The underlying principles of language learning advocated by the CBSE, i.e., learner autonomy, reflective thinking, creativity, and interactive learning, have been incorporated in the pedagogy that is embedded in the course content of the series.

Lecture Notes on Classical Mechanics (A Work in Progress)By Daniel Arovax

Written in 1980, this novel by prize-winning Indian writer Mahasweta Devi, translated and introduced by Gayatri Chakravorty Sprivak, is remarkable for the way in which it touches on vital issues that have in subsequent decades grown into matters of urgent social conern. Written by one of India ' s foremost novelists, and translated by an eminent cultural and critical theorist. Ranges over decades in the life of Chotti – the central character – in which India moves from colonial rule to independence, and then to the unrest of the 1970s. Traces the changes, some forced, some welcome, in the daily lives of a marginalized rural community. Raises questions about the place of the tribal on the map of national identity, land rights and human rights, the ' museimization ' of ' ethnic ' cultures, and the justifications of violent resistance as the last resort of a desperate people. Represents enlightening reading for students and scholars of postcolonial literature and postcolonial studies.
