"Poirot" Death in the Clouds (TV Episode 1992) - IMDb

Agatha Christie, as per usual, does a great job portraying her famous aging eccentric Belgian detective, Hercule Poirot, and his quest to find the person responsible for the murder of a not very well liked wealthy and astute lady money lender. The murder happens without any apparent witnesses on an airplane flight from Paris to London.

Death in the Clouds Quotes by Agatha Christie

Hercule Poirot must solve a perplexing case of midair murder in Death in the Clouds when he discovers that the woman in seat two of the airborne aeroplane he's traveling on is quite unexpectedly--and unnaturally--deceased.From seat No. 9, Hercule Poirot was ideally placed to observe his fellow air passengers on the short flight from Paris to London.

From seat No. 9, Hercule Poirot was ideally placed to observe his fellow air passengers. Over to his right sat a pretty young woman, clearly infatuated with the man opposite; ahead, in seat No. 13, sat a countess with a poorly concealed cocaine habit; across the gangway in seat No. 8, a detective writer was being troubled by an aggressive wasp. What Poirot did not yet realize was that behind him, in seat No. 2, sat the slumped, lifeless body of a woman.

A woman is killed by a poisoned dart in the enclosed confines of a commercial passenger plane... From seat No.9, Hercule Poirot was ideally placed to observe his fellow air passengers. Over to his right sat a pretty young woman, clearly infatuated with the man opposite; ahead, in seat No.13, sat a Countess with a poorly-concealed cocaine habit; across the gangway in seat No.8, a detective writer was being troubled by an aggressive wasp. What Poirot did not yet realize was that behind him, in seat No.2, sat the slumped, lifeless body of a woman.

For use in schools and libraries only. When Madame Giselle, the well-known Parisian moneylender, is poisoned aboard the air liner Prometheus, all the other passengers become murder suspects.

A woman is killed by a poisoned dart in the enclosed confines of a commercial passenger plane... From seat No.9, Hercule Poirot was ideally placed to observe his fellow air passengers. Over to his right sat a pretty young woman, clearly infatuated with the man opposite; ahead, in seat No.13, sat a Countess with a poorly-concealed cocaine habit; across the gangway in seat No.8, a detective writer was being troubled by an aggressive wasp. What Poirot did not yet realize was that behind him, in seat No.2, sat the slumped, lifeless body of a woman.

Previously published in the print anthology Murder in the Mews: Four Cases of Hercule Poirot. When the specifications for a new bomber plane are stolen, the Air Marshal enlists Hercule Poirot to help him find the culprit.

The Murder on the Links is Agatha Christie's second Poirot novel, featuring the brilliant Belgian detective and his sidekick, Captain Hastings. In this characteristic whodunit, Poirot is summoned to a seaside town in northern France by a desperate letter from a rich businessman, who fears that he is being stalked. Poirot arrives to find the businessman already dead, his body lying facedown in an open grave on a golf course, a knife in his back—the victim of a mysterious murder. Over the coming days Poirot clashes wits with an arrogant Parisian detective, Giraud, while Hastings finds himself pining after a beautiful but shadowy American expatriate known to him only as “Cinderella.” Together, Poirot and Hastings unravel the intricate web of mystery and deceit behind the murder. Christie based this mystery after a real-life French murder case, and it's believed that this is the first detective novel to use the phrase “the scene of the crime.” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Jeffrey Archer, one of the greatest popular novelists of our generation, delivers a truly page-turning thriller in False Impression. When an aristocratic old lady is brutally murdered in her country home the night before 9/11, it takes all the resources of the FBI and Interpol to work out the connection between her and the possible motive for her death—a priceless Van Gogh painting. It's a young woman, who was in the North Tower when the first plane crashed into the building, who has the courage and determination to take on both sides of the law and avenge the old lady's death. Anna Petrescu is missing, presumed dead, after 9/11 and she uses her new status to escape from America, only to be pursued across the world from Toronto to London, to Hong Kong, Tokyo and Bucharest, but it is only when she returns to New York that the mystery unfolds. Why are so many people willing to risk their own lives and others' to own the Van Gogh Self-Portrait with Bandaged Ear?

In Agatha Christie's classic, Three Act Tragedy, the normally unflappable Hercule Poirot faces his most baffling investigation: the seemingly motiveless murder of the thirteenth guest at dinner party, who choked to death on a cocktail containing not a trace of poison. Sir Charles Cartwright should have known better than to allow thirteen guests to sit down for dinner. For at the end of the evening one of them is dead—choked by a cocktail that contained no trace of poison. Predictable, says Hercule Poirot, the great detective. But entirely unpredictable is that he can find absolutely no motive for murder...

Everyone blamed Emily Arundell's accident on a rubber ball left on the stairs by her frisky terrier. But the more she thought about her fall, the more convinced she became that one of her relatives was trying to kill her... On April 17th she wrote her suspicions in a letter to Hercule Poirot. Mysteriously, he didn't receive the letter until June 28th...by which time Emily was already dead...

Although she is the most popular novelist in history, with over two billion books sold worldwide, Agatha Christie lived a life shrouded in secrecy and fueled by curiosity. Nearly as notorious for her aversion to the press as she was for her 80 books and collections of short stories, Christie made no secret of her need for privacy. Utilizing over 5,000 previously unpublished letters, notes, and documents, award-winning biographer Richard Hack allows Christie to write again, 33 years after her death. Duchess of Death is her story, as full of romance, travel, wealth, and scandal as any mystery Christie ever crafted. There have been numerous biographies of the Queen of Crime, all of which claim to be definitive. However, Duchess of Death is the first to draw from such an enormous number of previously unpublished correspondence and notes, effectively establishing it as the most authoritative, penetrating look at the personal and literary life of Christie.
