After seventeen years working with the military and observing how they train and prepare War fighters in the crawl, walk, and run philosophy of training the one thing that has shined the brightest whether it is the military, a sports event, giving a speech, or even doing chores around the house is that practice, practice and more practice prepares you better no matter what stage of learning you are in. That is why I have created the FCAT 3rd Grade Study Guide which contains fifty (50) FCAT Math and fifty (50) FCAT Reading practice questions to aid the earlier learners with practice, practice, and more practice. Additionally there is the FCAT 3rd Grade Answer Key Booklet that accompanies this book. So remember no matter what you do, or how technology brings it to you practice will make you do it better.
