GO MATH - Etowah County Schools  
A Kindergarten pacing guide helps keep me focus and gives me motivation to try new things. Our school uses Foundations to teach phonics. We focus on a few letters per week and a number of sight words at one time. I love this pacing guide because with one quick glance I know exactly what ' s coming.

These pacing guides are to serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math.

Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

An irrepressible new girl dethrones the reigning recess bully by becoming her friend in this infectious playground romp.

She was a perfect baby, and she had a perfect name. Chrysanthemum. Chrysanthemum loved her name—until she started school. A terrific read-aloud for the classroom and libraries!

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just

make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.
