Jessie Boone is a self proclaimed bad boy and doesn't march to the beat of anyone's drum, but his own. Growing up in less than desirable circumstances has made him no stranger to the hard knock life and his determination to leave it behind is fierce. When he finds himself transferred to East Franklin High School, he sees his opportunity to use his athletic ability to snag a college football scholarship, but Forbes Henderson, the player Jessie means to replace isn't giving up his spot willingly. ... Claire Deveraux is perfection at its best. She is beautiful, intelligent and unaware she just became Jessie Boone's conquest as revenge against her boyfriend, Forbes Henderson.

Nick Hawke wants his car fast and his girls faster. He blows through them quicker than his muscle car races down the drag strip in Collinsville and he wouldn't have it any other way. He's determined to avoid the devastation he has watched his father endure in the aftermath of his mother's abandonment. He believes there is no room in his life or his heart for a relationship lasting more than one night. He

seeks happiness in things that won't let him down—fast cars, adrenaline highs, and one night stands. All of that changes when he unexpectedly runs into an old friend and is introduced to Payton Archer, the first girl he ever wanted for more than a night. There's only one catch—she's completely immune to him and his smooth talking ways. Payton Archer is looking for love—the true, mad, deep kind. She's given up on finding it, at least until she leaves for college because she's certain that is where she'll find the ideal guy to fit into her perfect world. Her summer plans include nothing more than three uneventful months of fun but it turns out to be anything but ordinary when Payton meets Nick Hawke, one of Jesse's old Collinsville friends. She's shocked by her immediate and intense attraction for “Hawke” because nothing about him is on her checklist for the perfect love. Sure, he's hot and sexy but he comes from Collinsville and that is definitely not on her list of prerequisites. Everything about him makes Payton's heart speed. He's exciting and dangerous but his fast car and chance taking aren't what scares Payton the most. It's the way Nick Hawke makes her feel every time he looks at her. Can Payton find the courage to leave the safe, shallow end of love and risk going under completely?

From New York Times, USA Today, and Wall Street Journal Best-selling author, Georgia Cates, comes a steamy Mafia romance series. I ' ve watched him from afar for years. And he has no idea. I take joy in that. Through my observations, I ' ve learned what makes this charming villain tick. Whisky. Power. Beautiful women. And Sex. Lots of it. Sometimes you must get into bed with the enemy for the greater good. And that ' s what I ' ll do; it ' s all part of making Sinclair Breckenridge fall in love with me so I can penetrate his inner circle. There ' s hell to pay. I ' m a dark horse. The perfect

From New York Times, USA Today, and Wall Street Journal Best-selling author, Georgia Cates, comes a steamy new standalone novel. Beau Emerson is no gentleman. Those hazel eyes. That filthy mouth. That greedy, hard body. It all equates to one thing. Irresistible. One look and I know he'll bruise my lips and scar my knees. He'll give me the best nine days of my life while ruining me in the most beautiful way imaginable. And I'll let him because he has the power to talk me into anything. Except one thing. Staying. I have no choice. The things I desire from him will destroy me in the end. I want more than he's capable of giving. I want something true and beautiful. He can never know how much of me belongs to him. Too much is at stake. Shh, I don't tell him he's my everything. My name is Anna James Bennett. And this is our story. Indulge is a full length standalone novel. No cliffhanger. Intended for readers ages 18+ due to sexual content, adult situations, and language.

In this epic love story, Dear Agony forges a connection between an unlikely pair—a beautiful rose entwined in barbed wire and a shipwreck sinking into the darkest depths of the ocean. This agonizing romantic novel poses some gut-wrenching questions: What does a woman do when the man she loves is planning his own demise? And how far will she go to give him something to live for? Dear Agony, You've been my shadow, following me through childhood—filling

my days and nights with terror and uncertainty. You cleverly disguised yourself as some form of pain or suffering as I grew into a young woman. We were unwavering companions ... until I severed our ties. I traded homelessness on the streets of New Orleans for a luxurious bed covered by the finest linens. I traded dumpster diving for dinner in the finest restaurants. I traded myself to a stranger—Bastien Pascal. I have a good life within my platonic and mutually beneficial companionship with Bash. He ' s my friend. My mentor. My roommate. Until everything changes. I ' m not supposed to get goosebumps when his hand brushes my skin. I ' m not supposed to be eager for his soothing touch following one of my nightmares. I ' m not supposed to think about what might happen if I reached out to him in the darkness. Falling in love with him? Preposterous... unavoidable. Agony, why are you back with a vengeance to rob me of this life I ' ve come to love so dearly? I ' m finally happy. Don ' t ruin this for me. Always yours, Rose —— About Dear Agony—

But more than that, I want to leave my mark on the most intimate, untouched part of her body. Her heart. Things are perfect until that cruel twist of fate. We learn that our paths aren ' t crossing for the first time. And we aren ' t strangers at all. Our history is painful. Our love, fragile. Our ending, inevitable... unless I can convince her that the past shouldn ' t end our future. ——— Cliffhanger: No HEA: Yes Standalone: Yes Book 2 in a 3 book standalone series. ***Previously titled Stout: Men of Lovibond***

A New York Times and USA Today Bestseller.... They agreed on three months...but their love knew no boundaries. No real names. It's his game and his rules. He's content to play as usual, but when Laurelyn Prescott enters his life, his strategy must change because this player is like none he's ever encountered. His world is turned on its head after he begins a three month affair with the beautiful American musician. Nothing goes according to plan and as he breaks more and more of his own rules for her, she's exceptionally close to becoming something he never thought possible. His ultimate game changer.
