P0136 Causes: Honda City. Here are the most common issues that cause the P0136 code in the City. They are presented in order (somewhat) of most to least likely to cause the problem. Bad Oxygen Sensor– The oxygen sensor itself is one of the most likely reasons that P0136 is triggering your service engine soon light. Although it is a temptation to replace it right away, it wouldn't hurt to check out the wiring harness around it beforehand.
