In The Lion's Shadow. After the invasion of France in
1940, a junior Iranian diplomat, the aristocratic Abdol-
Hossein Sardari, found himself in charge of Iran's
legation in Paris, and set about cultivating German
and Vichy officials in order to protect the Iranian
Jewish community, their friends and associates. He

In the Lion's Shadow demonstrates the lengths to which many, including non-Jewish Iranians and even some German and Vichy officials went to minimize the impact of the anti-Jewish laws to save thousands. Using oral accounts from the families of the survivors, captured German documents stored at the United States National Archives, and other written accounts, the book examines many facets of this complex historical period.
