In *Like Life*'s eight exquisite stories, Lorrie Moore's characters stumble through their daily existence. These men and women, unsettled and adrift and often frightened, can't quite understand how they arrived at their present situations.

*Like Life*: Moore, Lorrie: 9780375719165: Amazon.com: Books

This book, *Like Life*, was Lorrie Moore's second short story collection. Her first collection, *Self-Help*, was brave, you could really get the inside of a life in that one, and the stories there were written mostly in the second person, which spawned a generation of copycats. I love Moore, but *Like Life* feels like a sophomore slump. All the stories, written in the third person, have a vague theme of late-80s/90s suburban loneliness (very of its time, for better and worse).

*Like Life* by Lorrie Moore - Goodreads

*Like Life* is a younger voice of Moore's, one that might seem a bit esoteric and strange at times, but again just reading her makes me remember what made me fall in love with the short story to begin with.

"You chose love like a belief, a faith, a place, a box for one's heart to knock against like a spook in the house." " Lorrie Moore, Like Life.

Like Life Quotes by Lorrie Moore - Goodreads

Nicknamed "Lorrie" by her parents, she was born Marie Lorena Moore in 1957 in Glens Falls, New York, a small town in the Adirondacks. Her father was an insurance executive, her mother a former nurse turned housewife. Moore, the second of four children, remembers her parents as rather strict Protestants, politically minded, and culturally alert.
