In Lizard, now available in Grove Press paperback, Yoshimoto deftly fuses traditional and pop culture to create contemporary portraits of love and life. These six tales explore themes of time, healing, and fate--and the journeys of self-discovery through which young urbanites come to terms with them.

Lizard by Banana Yoshimoto □ Wordscapism

by Banana Yoshimoto & translated by Michael Emmerich □ RELEASE DATE: Feb. 1, 1995. Six short stories from Japan's popular literary star (N.P., 1994, etc.) offer pallid bromides, blending postmodern cool with superficial explorations of "time, healing, karma, and fate.". Products of an affluent society that has embraced the West but not forgotten its fundamental traditions, the characters are uncertain of the future, skeptical of materialism, yearning to end the anomie and existential ...

Lizard (000) is a short story collection by Banana Yoshimoto, written in 1993 and translated into English in 1995 by Ann Sherif. It is a collection of six short stories on love and the healing power of time. In the American edition Banana dedicates her book to Kurt Cobain.

Lizard (short story collection) - Wikipedia

Lizard (translated by Ann Sherif) is a collection of six short stories, each of which is written in Yoshimoto's instantly recognisable style. Once again we are taken on a tour of middle-class Tokyo to meet a group of characters who would probably be described on Twitter as having #firstworldproblems.

“With Lizard, I felt overwhelmed by the desire to touch her skin, to kiss her, hold her, make love to her, no matter how it happened, I just had to have her, Lizard and no one else. Right then and there. Tears came to my eyes, I wanted her so much.” — Banana Yoshimoto, Lizard

Lizard Quotes by Banana Yoshimoto

Praise for Lizard: “Earnest, deep, and unaffected. . . . These stories . . . [are] quick and delicate, building, one after another, in a gentle crescendo of understanding and intensity.” — The New Yorker. “Banana Yoshimoto’s elegant, fey touch with such weighty themes as despair and fate, [and] her urban images

Banana Yoshimoto is a fantastic writer, and I look forward to reading more of her works. "Lizard" is a great introduction to her work -- short story collections are, to me, a good way to be introduced to a new writer.

A collection of six short stories incorporates themes of time, healing, and fate, following the adventures of young men and women who struggle to understand confusing emotions while embarking on journeys of self-discovery. Reprint.

Six short stories by a Japanese woman writer known for her unusual themes. In *Blood and Water*, a woman abandons the religious commune where she was raised, goes to the big city and finds another idol of worship, a charismatic lover. The story looks at the connection between spiritual and romantic fervor. By the author of *Kitchen*.

Three extraordinary novellas narrate the individual stories of three women, all bewitched into a spiritual sleep--a sleepwalker mourning a lost love, a woman unable to remain awake who is involved in an affair with a man whose wife is in a coma, and a woman whose dreams are haunted by a woman she once confronted in a love triangle. Reprint. 50,000 first printing.

After losing her delicate younger sister to suicide, a Japanese-American woman incurs a case of amnesia and embarks on an emotional journey of recovery, aided by her clairvoyant kid brother. By the author of *Kitchen*. Reprint.

In this "witty, perceptive novel", a young woman moves to Tokyo and encounters the world of university enrollment and impending adulthood (*Elle*). Banana Yoshimoto's novels of young life in Japan have

Bookmark File PDF Lizard Banana Yoshimoto

made her an international sensation. *Goodbye Tsugumi* is an offbeat story of a deep and complicated friendship between two female cousins that ranks among her best work. Maria is the only daughter of an unmarried woman. She has grown up at the seaside alongside her cousin Tsugumi, a lifelong invalid, charismatic, spoiled, and occasionally cruel. Now Maria's father is finally able to bring Maria and her mother to Tokyo, ushering Maria into a world of university, impending adulthood, and a "normal" family. When Tsugumi invites Maria to spend a last summer by the sea, a restful idyll becomes a time of dramatic growth as Tsugumi finds love and Maria learns the true meaning of home and family. She also has to confront both Tsugumi's inner strength and the real possibility of losing her. *Goodbye Tsugumi* is a beguiling, resonant novel from one of the world's finest young writers.

The author of *Lizard*, *Amrita*, *Asleep* and *Goodbye Tsugumi* offers two novellas, one about a young woman's dream about an ex-lover while on a hiking trip, and the other about the sister of a woman lying in a coma. Reprint.

BüKs are inexpensive pamphlets, each containing one provocative essay, short story, portfolio of pictures, collection of poems, or other surprising entertainment, readable in the time it takes to drink a cup of coffee.

After her mother's death, Chihiro moves to Tokyo hoping to get over her grief and meets Nakajima, a young man battling his own demons.

"A beautiful translation...Yoshimoto deploys a magically Japanese light touch to emotionally and

existentially tough subject matter: domestic disarray, loneliness, identity issues, lovesickness...[a] nimble narrative." *ELLE* In *Moshi Moshi*, Yoshie's much-loved musician father has died in a suicide pact with an unknown woman. It is only when Yoshie and her mother move to Shimokitazawa, a traditional Tokyo neighborhood of narrow streets, quirky shops, and friendly residents that they can finally start to put their painful past behind them. However, despite their attempts to move forward, Yoshie is haunted by nightmares in which her father is looking for the phone he left behind on the day he died, or on which she is trying unsuccessfully to call him. Is her dead father trying to communicate a message to her through these dreams? With the lightness of touch and surreal detachment that are the hallmarks of her writing, Banana Yoshimoto turns a potential tragedy into a poignant coming-of-age ghost story and a life-affirming homage to the healing powers of community, food, and family.

A shape-shifter arrives at Tokyo harbour in human form, set to embark on an unstoppable rampage through the city's train network. A young woman is accompanied home one night by a reclusive student, and finds herself lured into a flat full of eerie Egyptian artefacts. A man suspects his young wife's obsession with picnicking every weekend in the city's parks hides a darker motive. At first, Tokyo appears in these stories as it does to many outsiders: a city of bewildering scale, awe-inspiring modernity, peculiar rules, unknowable secrets and, to some extent, danger. Characters observe their fellow citizens from afar, hesitant to stray from their daily routines to engage with them. But Tokyo being the city it is, random encounters inevitably take place. A naïve book collector, mistaken for a French speaker, is drawn into a world he never knew existed; a woman seeking psychiatric help finds herself in a taxi with an older man wanting to share his own peculiar revelations; a depressed divorcee accepts an unexpected lunch invitation to try Thai food for the very first time. The result in each story is

Bookmark File PDF Lizard Banana Yoshimoto

a small but crucial change in perspective, a sampling of the unexpected yet simple pleasure of other people's company. As one character puts it, "The world is full of delicious things, you know."
