# Name Unit 5 Graphing Linear Equations Unit 5 Project

Right here, we have countless books name unit 5 graphing linear equations unit 5 project and collections to check out. We additionally offer variant types and with type of the books to browse. The standard book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily to hand here.

As this name unit 5 graphing linear equations unit 5 project, it ends occurring bodily one of the favored book name unit 5 graphing linear equations unit 5 project collections that

# Read Free Name Unit 5 Graphing Linear Equations Unit 5 Project

we have. This is why you remain in the best website to see the incredible book to have.

Unit 5 A1 Name 5-7 Solving and Graphing Linear Inequalities in Two variables. A1 Name

\_\_\_\_\_. Graphing an inequality only has a few differences from graphing an equation. Make sure the equation is solved for  $y$  (unless it is special). Then plot the  $y$ -intercept and use the slope to plot as many points as you can on the coordinate plane.

Rental Plans: Real World Systems by Graphing At the Wild Thing Zoo, you can rent a motorized cart to tour the grounds for a \$4 initial charge and \$4 per hour. At Safari Zoo, you can rent the same cart for a \$3 initial charge and \$5 per hour. a) Express each rental as an equation where  $y$  is the total cost and  $x$  represents the total hours.

Another way to graph linear functions is by using specific characteristics of the function rather than plotting points. The first characteristic is its y-intercept which is the point at which the input value is zero. To find the y-intercept, we can set  $x=0$  in the equation.

Here is a graph showing Andre's distance as a function of time. For a graph representing a context, it is important to specify the quantities represented on each axis. For example, if this is showing distance from home, then Andre starts at some distance from home (maybe at his friend 's house), moves further away (maybe to a park), then returns home.
