God has opened a door for author Dr. Doreen B. Young to minister to those who are in need and to see the hand of God change their lives. She is an earthen vessel of God. In God's Way, she offers a mix of scriptures and her observations, based on her years of Bible study and daily prayer, to provide encouragement.

Occasionally, clear, concise, complete, and tested instructions for growing crystals will be published, particularly in the case of methods and procedures that promise to have general

Responding to the ever-increasing need for crystal substances in research and industry, appropriate space will be devoted to methods of crystal characterization and analysis in the broadest sense, even though reproducible results may be expected only when structures,

Relations among procedures, properties, and the morphology of crystals will also be treated with reference to specific aspects of their practical application. In this way the series will bridge the gaps between the needs of research and industry, the possibilities and
