Building on Foundations of Grace, in which he traced the threads of the doctrines of grace through the biblical books, DR. Steven J. Lawson here begins a thorough survey of church history, conclusively demonstrating that the doctrines of grace are not an innovation from late in time, but the consistent teaching and belief of those who have led the church from its beginnings. Book jacket.

The doctrines of grace are often known as the five points of Calvinism, but they were not the invention of John Calvin or his reforming cohorts of the sixteenth century. Rather, they are biblical doctrines, as Dr. Steven J. Lawson demonstrates in his book Foundations of Grace. Now, in Pillars of Grace, Dr. Lawson shows that the doctrines of grace have been understood and taught sometimes in embryonic form, sometimes with great clarity throughout church history. From the time of the early church fathers to the era of the Reformers, key men in the church stood on the foundation of Scripture and upheld the truth of Gods sovereign role in salvation. The inescapable conclusion is that the doctrines of grace are no innovation, but the consistent witness of some of the greatest men of the church.

Understanding the doctrines of grace provides a clearer picture of Gods sovereignty, mercy, and majesty. From the lawgiver Moses to the Apostle John, and from the early church fathers to modern defenders of the faith, there has marched onto the stage of human history a long line of godly men, a triumphant parade of spiritual stalwarts who have upheld the doctrines of grace. In this book, Dr. Steven J. Lawson takes readers on a heart-stirring survey of the Scriptures and their teaching on Gods way of salvation. Lawson demonstrates that far from being a sixteenth century invention, the doctrines of grace are the clear teaching of the Bible in its entirety. From Genesis to Revelation, the Scriptures declare the message of Gods sovereign grace in salvation.

Is your congregation starving? There's a spiritual famine in the land—a shortage of faithful preaching leaving those in the pews dangerously undernourished. We need people today who will preach like the prophets and apostles did, proclaiming the word of God with courage and conviction. *Famine in the Land*, a compilation and adaptation of four powerful journal articles by Steven Lawson, makes a biblically-grounded argument for the desperate importance of expository preaching. Whether you preach to 3,000 or 30 this book will embolden you to: revere the glorious, painful, historical call of preaching dig deep in your study of God's word speak and live with uncompromising conviction This is an indispensable resource for any church leader who wants to see lives changed through preaching.

Explores a major cultural shift embodied in hundreds of early New England crime publications. Tracing the declining authority of Puritan ministers, this work probes the forgotten origins of our modern mass media's pre-occupation with crime and punishment.

Charles Spurgeon, the great Baptist preacher of nineteenth-century London, is remembered today as "the prince of preachers." However, the strength of Spurgeon's ministry went far beyond simple rhetorical skill. In *The Gospel Focus of Charles Spurgeon*, new from Reformation Trust Publishing, author Steven J. Lawson shows that Spurgeon fearlessly taught the doctrines of grace and tirelessly held forth the free offer of salvation in Jesus Christ. In thirty-eight years as pastor of the congregation meeting at the New Park Street Chapel and later the Metropolitan Tabernacle, Spurgeon propounded Calvinistic theology with precision and clarity. Yet he always accompanied it with a passionate plea for sinners to come to Christ and be saved. Lawson traces these twin points of emphasis throughout Spurgeon's long, fruitful ministry, showing also that he preached Christ crucified without apology and looked to the Holy Spirit for success in all his endeavors.

Filling a notable gap in scholarship on 2 Peter and Jude, Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco-Roman world and the burgeoning first-century Jesus communities. Davids firmly grasps the overall structure of these oft-maligned epistles and presents a strong case for 2 Peter and Jude as coherent, consistent documents. Marked by exceptional exegesis and sharp, independent judgments, Davids's work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers.

In a day when the church greatly needed to hear the truth, Luther's pulpit became one of the most clarion sounding boards for God's Word this world has ever witnessed. Steven J. Lawson shows the convictions and practices that fed Luther's pulpit boldness, providing an example for all preachers in a day when truth once more is in decline. --from publisher description.

Jonathan Edwards is well known as perhaps the greatest theologian the United States has ever produced. He is equally noted for his preaching and writing. But in this Long Line Profile, Dr. Steven J. Lawson considers the unique focus and commitment with which Edwards sought to live out the Christian faith. Lawson examines Edwards' life through the lens of the seventy resolutions he penned in his late teens,

shortly after his conversion, which cover everything from glorifying God to repenting of sin to managing time. Drawing on Edwards' writings, as well as scholarly accounts of Edwards' life and thought, Lawson shows how Edwards sought to live out these lofty goals he set for the management of his walk with Christ. In Edwards' example, he finds helpful instruction for all believers.
