The smell of hope is burning flesh... The howlers are eating each other. What is left of humanity has a chance to breathe at last. Each group that forms has to consider how they will begin anew. They must come together on how to take care of the remaining monsters, grow food, teach kids, and deal with their dead...or fall apart in the pitted wasteland left to them by the zombie apocalypse. Can humanity get it right this time? Or will the last human become The Last Zombie?

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.
