Two of his works, the Mona Lisa and The Last Supper occupy unique positions as the most famous, most reproduced and most parodied portrait and religious painting of all time, their fame approached only by Michelangelo's Creation of Adam. Leonardo's drawing of the Vitruvian Man is also iconic. Perhaps fifteen of his paintings survive, the small number due to his constant, and frequently disastrous, experimentation with new techniques, and his chronic procrastination.

High Renaissance. Fifteen artworks are generally attributed either in whole or in large part to him. However, it is believed that he made many more, only for them to be lost over the years or remain unidentified. The authorship of several paintings traditionally attributed to Leonardo is disputed. Two major works are known only as copies. Works are regularly attributed to Leonardo with varying degrees of credibility. None of Leonardo's pain

I've been a Leonardo fan for a long time. Didn't see a Leonardo da Vinci book I liked until this one. Seems complete as far as the paintings I'm familiar with. Lots of his drawings too. If you're into reading about his life and works, this will keep you occupied for quite a while. I'm happy with this purchase.
