Two is one of the antagonists of Drakengard 3 who governs the Land of Sands. She is the third Intoner and is considered to be the liveliest of the sisters. Her disciple is Cent, a dashing young man who truly loves Two with all his heart.

When Two's best friend One starts spending time with Three, Two feels left out, but when Four, Six, and Eight try to help, they only create a new divide between the odds and evens, until Zero steps in and sets things straight.

NEW YORK TIMES BESTSELLER "[A] delectable double bio . . . Talk about Victoria's secret. . . . A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues." —USA Today It was the most influential marriage of the nineteenth century—and one of history's most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager, when the British Empire was at the height of its power, and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity, qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward, chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already "showed signs of wanting her own way." Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince-consort-to-be, neither had particularly high hopes. But the queen was delighted to

discover a grown man, refined, accomplished, and whiskered. “Albert is beautiful!” Victoria wrote, and she proposed just three days later. As Gill reveals, Victoria and Albert entered their marriage longing for intimate companionship, yet each was determined to be the ruler. This dynamic would continue through the years—each spouse, headstrong and impassioned, eager to lead the marriage on his or her own terms. For two decades, Victoria and Albert engaged in a very public contest for dominance. Against all odds, the marriage succeeded, but it was always a work in progress. And in the end, it was Albert’s early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad, pure and perfect. As Gill shows, the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated. Wonderfully nuanced, surprising, often acerbic—and informed by revealing excerpts from the pair’s journals and letters—We Two is a revolutionary portrait of a queen and her prince, a fascinating modern perspective on a couple who have become a legend. **BONUS:** This edition contains a reader's guide.

"Barton Seaver's second, seminal book on seafood cookery, after *For Cod and Country* (Sterling Epicure, 2011), offers more than 150 new mouthwatering recipes, including entrees, salads, appetizers, soups, pastas, stews, sides, and sauces. Try his Smoked Lobster and Fennel-Carrot Salad or Poached Salmon with Pickled Chilies and Mint and you'll understand what all the fuss is about. Each of Seaver's fresh-tasting, casual (and always delicious) recipes features seafood that hasn't been overfished or caught in an environmentally destructive way. This emphasis has made Seaver, already an acclaimed chef and restaurateur, one of the most important voices of the sustainability movement. The book is full of helpful advice on buying, choosing, and making the most of your ingredients, as well as an essential guide to seafood prep and cooking techniques--a must for all seafood lovers,"--Amazon.com.

Featuring interviews with Justin Timberlake, Pharrell Williams, T Bone Burnett, Gloria Estefan, Imogen Heap and many more, *Two Beats Ahead* shows us what the musical mind has to teach us about innovation. Musicians may just hold the keys to innovation in business. They don't think like we do, and

in the creative process, they don't act like we do. It isn't a coincidence that some of the world's most respected creators, like Jimmy Iovine and Bjork, are also entrepreneurs. In *Two Beats Ahead*, the Global Design Director at IDEO and the Senior Vice President for Global Strategy & Innovation at Berklee College of Music interview some of the nation's top musicians and business leaders about how they approach innovation differently. Panay and Hendrix speak with Justin Timberlake about the importance of demoing, and discuss the essentials of acute listening with Jimmy Iovine. Readers will learn the secrets to maximizing results in a collaboration from Beyoncé and Pharrell Williams. They'll learn the importance of experimentation from musical pioneers Imogen Heap and Radiohead, and have a front row seat in a conversation about producing with T Bone Burnett and Hank Shocklee, co-founder of Public Enemy. Offering clear and concise mindsets that any entrepreneur or innovative thinker can put into practice, this is a one-of-a-kind business book that shows how to thrive in an evolving world--from some of the top creative geniuses of our time.

A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania "Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide."—*The Washington Post* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** *Time* • *NPR* • *Esquire* • *Bustle* • *BBC* • *New York Post* • *InStyle* Kyuri is an achingly beautiful woman with a hard-won job at a Seoul "room salon," an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri's roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country's biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wonna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea's brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.
